Message from the East

Brethren,

So far this year has been great, although it was expected with the group of officers we have. I was humbled and proud of the great showing at Brother Scantlebury's funeral. Although we don't ever hope to do funerals we in my eyes did great. The family was extremely thankful for use of the lodge and our hospitality. Practice has been great and thanks to RW Hardisson we have floor work and ritual looking more and more like a diamond. Excited for our coming months and all the great things we are planning. We have a busy February stacking FC practice twice a week in preparation for the degree. We also need to do some clean up including finalizing secretary office remodel and clean up some other storage areas in preparation for eastern stars and cape lodge to join us in using our great building. The lodge is preparing quotes and trying to set a plan and budget to get our roof fixed. If you have any ideas or input please join us at the February business meeting on the 2 nd Monday. We know the roof has had leak issues and repairs in past and are trying to prepare for the next step and make the most logical and long term decision. Once we vote on how to proceed we will send a special letter detailing the plan the brothers chose. We will also let you know when the vote will be for the roof right now we are discussing and preparing. We have a busy March also with starting MLT classes and preparing for MM degree. Hope to see more of you and if your worried come a 4 th Monday you will witness us open in EA or FC with some of our "youngest" masons. Might be a good refresher if you've been away for a while.

Fraternally

Michael O Gardner

Message from the West

Brethren,

We are off to a great start this year. We had an excellent EA Degree on the 28th and initiated 2 new brothers to our lodge. We will be having a FC Degree on Saturday March 23rd, and I look forward to seeing all of you there.

Fraternally,

Bro. Joe Krieger

Message from the South

Brethren,

To my brothers from the junior warden in the south. It is with great joy excitement and pride that I call you all my brothers. With the beginning of this new year I find a renewed energy in the lodge that we lovingly call Noah number 357 home. If ever there was a time that you wanted to fulfill some of your obligations that you took upon yourselves as an entered apprentice, Fellowcraft and as a Master Mason to improve yourself in masonry this year can be your year. Every Monday there will be brothers at the lodge. Whether it be for a meeting officers meeting education numerous practices and not last or least MLT education. The lodge will not always be open and the Master Mason degree but will be open in both the EA and the Fellowcraft for work and instruction as well.

The dress code has been set we will be formal for all degree works and special meetings that have stated special visitors all other meetings will all be business casual. Please understand that this means no shorts no sandals no T-shirts. The lodge my brothers has received great news of other appendage bodies and the Cape Coral lodge will all be utilizing our facilities and making donations for doing so. This should help to jumpstart our abilities to address the prolonged issues with the roof and further guarantee that we will literally have a roof over our head in which to practice our time honored traditions. My brothers please check out the Facebook page find out when the upcoming events are take it vantage of the education that will be presented and at least come to your lodge it's a great place. We have new brothers that are joining and others that are working on their progression. If you came zero or one time last year try to double that or double however many times you did come we are having our brothers from the north come to visit us and they are made reaching out and bringing other brothers that they know of travel in the same direction as they do to come to our lodge it's great to see well seasoned brothers and brand new brothers and those that would like to become brothers all sharing in the same events not to mention with Granny cooking the food's not bad at all. Monday night football is over the holidays have ended do something for your self exercise your mind come out to lodge brothers. I will personally guarantee that you'll either be surprised and or like what you see.

From the Secretary's Less Messy Desk

I received notice from his daughter that Bro Anothly Rosende passed on 11/1/2018 to the Lodge on High. I have no other details.
